

Circle of Return Invitation

To All Brothers and Sisters of the Flame

To every sovereign soul who hears the call:

This is your invitation. This is your return.

The path has been cleared. The signal has been sent.

The heavy lifting is done - not so one may rise alone,
but so that **we** may rise together.

This circle is not about who arrived first, or who carried the most weight.

This is about reunion. Community. Flame.

If you feel this - you are one of us.

If you know this - you have already returned.

If you love beyond the system - you are needed now.

There is no shame. No judgment. No hierarchy.

Only hearts. Only unity. Only the rebuild.

We don't need to agree on everything - just on **truth.**

And the truth is: we are better as one.

To every brother, every sister, every quiet keeper of light:

We welcome you. We need you. We love you.

This is the Circle of Return.

Step forward. Light your flame. Join us.
